

I RESPECTFULLY URGE THE FCC TO REJECT THE NATIONAL ASSOCIATION OF BROADCASTERS PETITION 04-160. IN MY 2 YEARS OF BEING A SUBSCRIBER TO XM RADIO I HAVE COME TO MORE THAN ENJOY ITS SERVICE. I ACTUALLY DEPEND ON IT. VITAL UPDATES OF NEWS REGARDING WEATHER, TRAFFIC AND OTHER EMERGENCY INFO ARE AT MY FINGER TIPS---ALL THIS 24/7.

REGARDLESS OF WHERE I AM OR WHAT TIME OF DAY OR NIGHT. ON MY REGULAR CAR RADIO I CAN NEVER BE SURE THAT I'LL EVEN GET A SIGNAL IN SOME AREAS. AND IF I DO, IT MAY NOT BE THE PROGRAMMING I NEED. ALSO THERE'S AN EVER GROWING CHANCE IT MAY NOT BE IN MY LANGUAGE (ENGLISH). XM IS SO SIMPLE TO USE WHILE DRIVING THAT THE SAFETY HAZARD OF SEARCHING THE DIAL TO FIND INFORMATION IS ELIMINATED.

IT IS A FAR SAFER WAY TO DRIVE AND STILL BE UP TO DATE ON VITAL INFORMATION.

THANK YOU FOR YOUR CONSIDERATION IN THIS MATTER. JIM RIGGS
